Folded join
Lock join

Adding Beads: On working thread, core thread, in a ring, under an element.

You are free to give away or sell anything you make from this pattern. Do not sell this pattern.

This motif can be made with or without beads. It can be used as a medallion for a necklace, a brooch or anything you can imagine. Feel free to play around with it! Alternately you can make round 1 as a normal ring and sew in the bead. There are no reverse works until round 4.

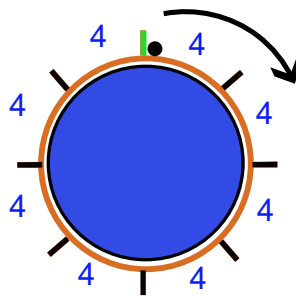

Round 1

SCMR

$4(-4) \times 7, 4 + MP$

Do not reverse work, continue to round 2.

Round 2

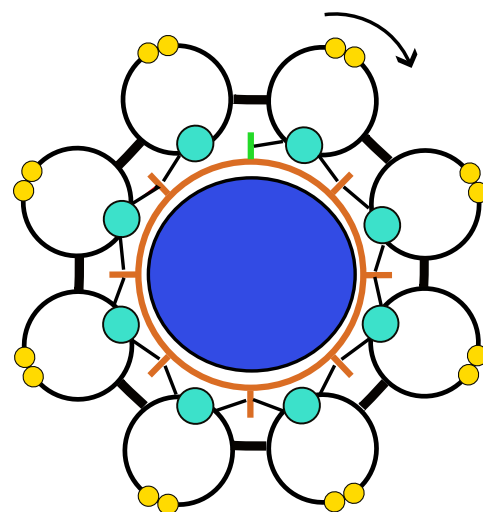

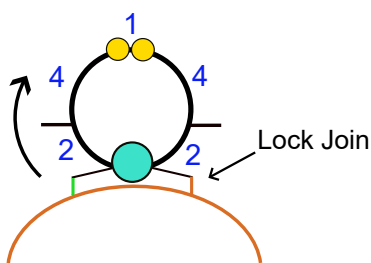

Slide 1 3mm bead into your hand.

* R 2 - 4 b (slide a bead up from the shuttle)
1 b (slide a bead up from the shuttle) 4 - 2,

Close ring with the 3mm bead at the bottom.
LJ to next p of scmr.

Repeat around, on the final ring join to the first
using a folded join. LJ to the mock picot.

Cut and hide ends.

Round 3

Join between picots of previous round.

C 5 SS

SB: TR Clover:

R 4 b 1 - 5

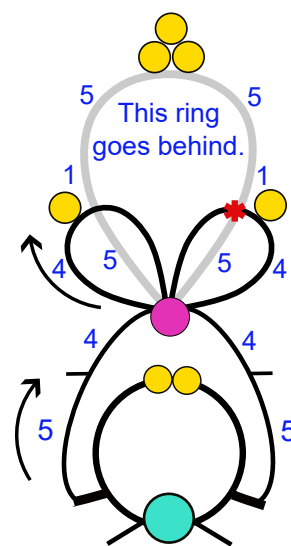

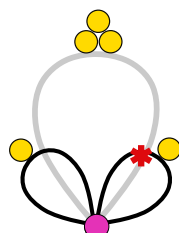

R 5 + 5 (3b) 5 - 5

R 5 1 b 4

SS

Slide up a bead from shuttle A

C 5 LJ to next joining picot of round 2
Repeat around ending with LJ to the
first picot of round 2.

Round 4

Start from the back side of the motif and work the DS in RODS.

* R 2 ↓ 1 b 1 ↓ 2 RW

C 16 b 2 JK (10 FHDS) 4

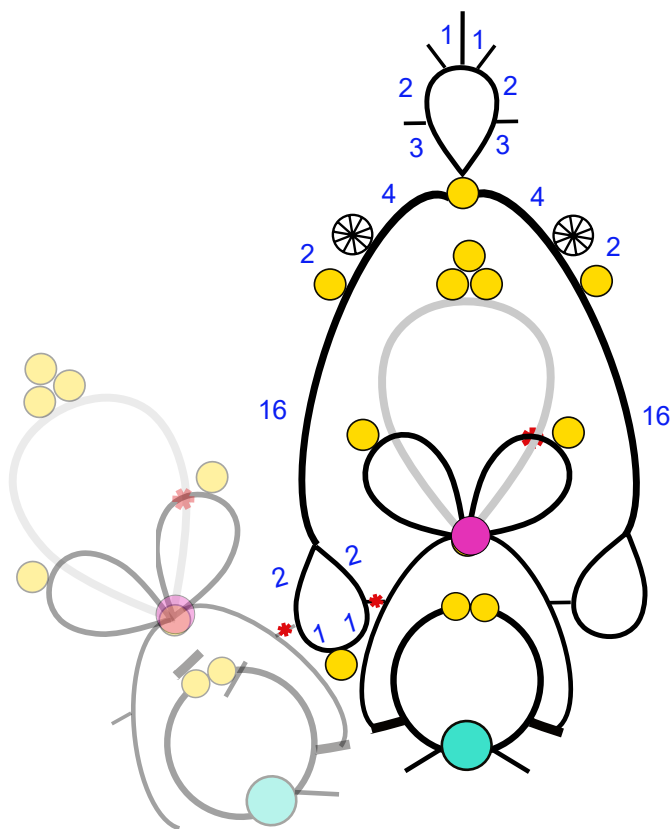

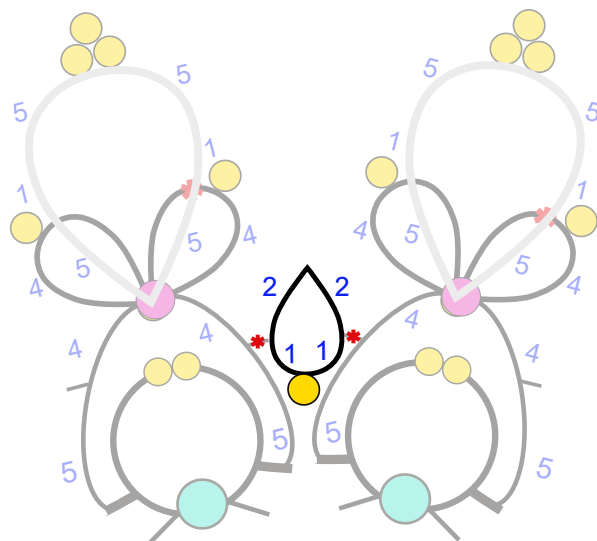

SS

TR 3 - 2 - 1 - 1 - 2 - 3

SS

Pull up a bead from Shuttle A and position it under the ring.

C 4 JK (10 FHDS) 2 b 16
